

MAVEN TM is currently recruiting for a Full Time Digital Marketing Executive

This role provides an excellent opportunity for successful candidates to work with one of the South East's most progressive companies. The role involves supporting the Digital Marketing Manager with various inbound marketing campaigns on behalf of some of the world's leading technology companies.

The ideal candidate will have

- Good written skills
- Positive attitude and ability to learn
- Good communication skills
- Good time management skills
- Good computer skills
- Marketing qualifications
- Previous experience in a digital marketing role is beneficial
- Knowledge of the tech industry is a bonus but not essential

The Role will include:

- Representing some of the world's leading technology firms with inbound marketing campaigns.
- Identifying new sales opportunities for our clients through email, social media and digital marketing initiatives.
- Creating Content for the Technology Industry – Blogs, premium content, eShots, Social posts, website copy etc
- Creating targeted email campaigns
- Supporting the creation of effective Social Media Campaigns
- Supporting SEO and PPC requirements of Clients
- Use of leading inbound marketing technologies such as HubSpot and ELOQUA.

Note: While an understanding of the above areas is admirable, training will be provided.

At Maven TM, we are all about offering the best service we can for our clients in a very professional manner. But that does not mean that we can't have fun while we are doing it. You will receive plenty of opportunities for growth, training and development, including:

- Regular performance bonuses.
- Progression opportunities.
- Training on a range of sales, marketing and technology areas.

If you like to work hard and have fun while you are doing it, then make Maven TM your next career move. Send in your CV to Hr@maventm.com or call +353 (0)59 918 6512
