

MAVEN TM is currently recruiting for a Spanish-speaking Business Development Agent

This role provides an excellent opportunity for successful candidates to work with one of the South East's most progressive companies. The role involves outbound telemarketing activities to assist with market research, sales and lead generation campaigns on behalf of some of the world's leading technology companies.

The ideal candidate will have

- Spanish as a first language
- Ideally sales experience or customer service experience
- Positive attitude and ability to learn
- Good communication skills
- Good time management skills
- Good computer skills
- Good report writing skills

At Maven TM we are all about offering the best service we can for our clients in a very professional manner. But that does not mean that we can't have fun while we are doing it. You will receive plenty of opportunities for growth, training and development, including:

- Regular performance bonuses.
- Progression opportunities.
- Training on a range of sales, marketing and technology areas.

If you like to work hard and have fun while you are doing it, then make Maven TM your next career move.
